AvalonBay Communities and Equity Residential Announce Merger of Equals, Creating One of the Country's Leading Real Estate Companies

Creating a new and fundamentally stronger company with the differentiated scale, capabilities, and balance sheet strength to enhance the resident experience, redefine leadership in rental housing, and deliver structurally superior earnings growth and value creation for shareholders.

Transaction Highlights

- Enhances the resident experience and expands margins by scaling proven operational innovations across a larger portfolio — through technology, centralized services, and leading regional teams — driving incremental Net Operating Income across existing assets and higher returns on new investments
- Accretive to both AvalonBay and Equity Residential shareholders,¹ generating \$175 million of gross synergies and \$125 million of net synergies after real estate tax reassessments, creating one of the most efficient operators in the industry
- Combined \$2 billion of annual cash flow and self-funding capacity to deploy across multiple channels of growth, utilizing operational scale and customer insights to allocate capital to the strongest risk-adjusted returns

¹ Based on the midpoint of AVB and EQR's 2026 guidance on a full run-rate basis. Subject to final accounting adjustments.

- Delivers an initial annualized dividend of \$2.81 per share, equivalent to Equity Residential's existing dividend per share and higher than AvalonBay's current dividend yield
- Commits to expanding housing supply and reaffirms commitment to affordable housing through new and expanded initiatives, including providing direct capital to nonprofit developers and an affordable preservation program

CHICAGO, IL & ARLINGTON, VA — (BUSINESS WIRE) — Equity Residential (NYSE: EQR) and AvalonBay Communities, Inc.
