AvalonBay Communities, Inc. Prices Public Offering of 3,200,000 Shares of Common Stock

ARLINGTON, Va.--(BUSINESS WIRE)-- **AVALONBAY COMMUNITIES, INC. (NYSE: AVB)** (the “Company”) announced today that it has priced an underwritten public offering of 3,200,000 shares of common stock, all of which are being offered in connection with the forward sale agreements described below, for expected gross proceeds of approximately \$710.4 million.

Goldman Sachs & Co. LLC, BofA Securities, Deutsche Bank Securities Inc. and Morgan Stanley are acting as joint book-running managers for the offering.

The Company has entered into forward sale agreements with Goldman Sachs & Co. LLC, Bank of America, N.A., Deutsche Bank AG, London Branch and Morgan Stanley & Co. LLC or their affiliates (the “forward purchasers”) with respect to 3,200,000 shares of its common stock. In connection with the forward sale agreements, the forward purchasers or their affiliates are expected to borrow and sell to the underwriters an aggregate of 3,200,000 shares of the common stock that will be delivered in the offering. Subject to its right to elect cash or net share settlement, which right is subject to certain conditions, the Company intends to deliver, upon physical settlement of such forward sale agreements on one or more dates specified by the Company occurring no later than December 31, 2025, an aggregate of 3,200,000 shares of its common stock to the forward purchasers in exchange for cash proceeds per share equal to the applicable forward sale price, subject to certain adjustments as provided in the forward sale agreements.

The Company has granted the underwriters a 30-day option to purchase up to an additional 480,000 shares of common stock. If the underwriters exercise such option, the Company expects to enter into additional forward sale agreements with the forward purchasers in respect of the number of shares sold by the forward purchasers (or their respective affiliates) in connection with the exercise of such option.

The offering is expected to close on September 9, 2024, subject to customary closing conditions.

The Company will not initially receive any proceeds from the sale of shares of its common stock by the forward purchasers or their affiliates in the offering. The Company intends to use the net proceeds, if any, it receives upon the future settlement of the forward sale agreements for identified and prospective land acquisitions, the development and redevelopment of apartment communities, the acquisition of communities, funding of its structured investment program investments, and working capital and general corporate purposes. General corporate purposes may include the repayment of outstanding indebtedness, including borrowings under the Company's commercial paper program, which allows the Company to issue, from time to time, unsecured commercial paper notes with varying maturities of less than one year up to a maximum amount outstanding at any one time of \$500 million, or its \$2.25 billion revolving variable rate unsecured credit facility, and the repayment and refinancing of other indebtedness. Pending the application of such net proceeds, the Company may temporarily invest all or a portion of the net proceeds from the offering in cash or cash equivalents and/or hold such proceeds in accordance with its internal liquidity policy.

Selling common stock through the forward sale agreements enables the Company to set the price of such shares upon the pricing of the offering (subject to certain adjustments) while delaying the issuance of such shares and the receipt of the net proceeds by the Company until a time closer to the funding requirements described above.

The offering is being conducted pursuant to the Company's currently effective shelf registration statement, which was previously filed with the Securities and Exchange Commission (the "SEC"). This press release does not constitute an offer to sell or the solicitation of an offer to buy any of the Company's securities, nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
